

RoomWizard Software Partners

Modified: June 2008

Connectors

PolyVision offers software “connectors” that interface directly between these products and RoomWizard:

Company	Product	Web Page
Microsoft	Exchange (Outlook)	www.microsoft.com
Lotus	Domino (Notes)	www.lotus.com

Scheduling Software Interfaces

The following companies have completed integration with RoomWizard and offer scheduling software that interfaces directly with RoomWizard:

Company	Product	Web Page
PeopleCube	Resource Scheduler and RSOE (Resource Scheduler for Outlook Exchange)	www.peoplecube.com
Dean Evans & Assoc.	Event Management Systems	www.dea.com
CollegeNet	Resource25	http://corp.collegenet.com/depts/higher_ed/series/R25/
EmergingSoft	Meeting Planner	http://www.emergingsoft.com/ViewServicePacks4.html
Integrated Management Systems	RessNet	http://www.ress-by-ims.com/
Forgent/Net Simplicity	Meeting Room Manager	http://www.netsimplicity.com/products/mrm/display_panels/roomwizard.asp

** Please note: PolyVision is actively working with many other partners not listed above. To find out if RoomWizard supports your system, please contact us at 1.800.620.POLY*

Front-Lobby Display Solutions

The following companies make front lobby display systems that can interface with RoomWizard. Their systems collect data from a group of RoomWizards and display a single comprehensive schedule. These systems typically also allow video windows (for CNN or a company message), scrolling displays, and messaging services. Each system can be customized for an individual customer by the supplier or by the customer.

Company	Product	Web Page
Capital Networks	Audience	www.capitalnetworks.com
Scala	InfoChannel	www.scala.com
